## July 2017

## News & Thoughts

**Calling all kids – “I SPY in the Library” is back!** Come in any day in July to search in our display case for the answer to that day’s “I SPY” question – and if you answer it correctly, you will win a sweet little treat at the desk!

July is also the month for our **Summer Reading Program!** We’ll have groups of young readers in the library at various times each week who will learn why reading is gr-r-r REAT!

**“Intentions and Gratitude for Your Most Joyful Heart”** – learn how setting positive intentions and expressing gratitude increases your

vitality. On July 18th at 2:00 PM Myra Foland, Reiki Master and positive intender, will share some inspirational practices. More info can be found at [peacefulvalleyreiki.com](http://peacefulvalleyreiki.com).

Do you have challenges? Come to the library at 7 PM on the 25th and learn how to strategize your life with **Game Theory Made Easy**. If you love the movie “A Beautiful Mind,” then you’ll love this talk by local author Lewis Harrison!

**Books are lighthouses erected  
in the great sea of time.**

Are you looking for a **self-empowering addiction recovery support group?** Come on Monday, July 24th, at 6 PM for a **SMART Recovery** informational meeting, led by James Boswell. Participants learn tools for addiction recovery based on the latest scientific research and participate in a world-wide community which includes free, self-empowering, science-based mutual help groups. More information

about the group can be found at the [smartrecovery.org](http://smartrecovery.org) website.

Are you interested in **learning how to speak better in public, in a friendly and non-threatening atmosphere?** If you were unable to attend the recent Toastmasters demonstration meeting, and would like to learn how to become better at talking to small and large groups of people, stop by the library to learn more (if you already know you want to join, we have applications as well). Or mark your calendars for August 9th at 7:30 PM, when we’ll host another demonstration meeting here in the library.

**Libraries store the energy  
that fuels the imagination.**

*(Sidney Sheldon)*

-----  
With sadness we say **“goodbye” to Bette Caddis**, who retired from the library at the end of June. She won’t be completely gone – we’ll see her from time to time when we need someone to fill in for us, but we’ll all miss hearing that marvelous British accent when she’s in the library!
