

Stamford Village Library

February 2018

News & Thoughts

February is **National Library Lovers Month**. On average, Americans make more than 4 million trips to the library EVERY DAY! So celebrate by stopping in for a visit and remember again why a public library in our community is such a good deal!

Be adventurous this Valentine's Day – go on a **blind date with a book!** Come into the library during the week of the 14th, search through the “personal profiles” of the various blind date books on display, and take home a new one to become acquainted with and enjoy! And if you fill out a “rate your date” form when you're done, your

name will be entered into a drawing to win a box of chocolates! (Forrest Gump would be so proud of you.)

(En) Lighten Up Your Life with Meditation – Buddha did it. Louise Hay did it. You can too! New to meditation? This introductory talk and short guided meditation will help open your mind and heart to a very calming ancient practice. Join us on the 13th at 2:00 PM for a talk led by Myra Foland, Reiki Master and Teacher (more info at peacefulvalleyreiki.com).

**Books let you fight dragons,
meet the love of your life,
travel to faraway lands,
and laugh alongside friends.
They're an escape
that brings you home.**

(source: betterbybooks)

Need to print some **tax forms**? For federal forms, visit irs.gov, then click on the “Forms and Instructions” tab to search for what you need. If you need New York state forms, their website is tax.ny.gov/forms/. (You can also print

and make copies at the library for only 15 cents per page).

The worst thing about movie-making is that it's like life: nobody can go back to correct the mistakes.

(Pauline Kael)

Please note: the **Hand Needlework Group** which usually meets on Wednesday evenings will **NOT** have their meetings in February or March. They will resume their weekly meetings at the library in April.

And a heads up for March – on the 2nd we will celebrate **Dr. Seuss's birthday** – come join us for cake!

February Calendar

For more information about any program or event, please call or visit the library.
